EDUCATION

Purdue University, West Lafayette, IN
Bachelor of Science, Electrical Engineering, 2015
Bachelor of Science, Economics, 2015

EXPERIENCE

- Hardware Engineering Intern** Apple, Inc. Winter 2015 - Present
<http://apple.com/>
Used automated application tests, synthetic tests, and benchmarks to analyze the performance of prototype and production Mac systems. Identified performance bottlenecks and architectural improvement areas in silicon, hardware, and software.
- Electronics Design Engineer** FirePICK Summer 2014 - Fall 2014
<http://delta.firepick.org/>
Prototyped and routed circuit boards for use in a pick-and-place machine. Assisted with delta mechanism and motor controller circuit board design.
- Electronics Team Leader** Purdue Electric Racing Spring 2010 - Spring 2014
<http://purdueelectric.org/>
Project manager for electric and combustion vehicle systems. Developed systems to characterize and validate vehicle performance. The data was used extensively to improve performance and competition ranking. Electrical team member in Formula SAE (FSAE) competition.
- FIRST Robotics Mentor** Purdue FIRST Programs Fall 2010 - Fall 2011
<http://purduefirst.org/>
Assisted high school students with electronics and software design to compete in the national FRC Championship.

SKILLS

Knowledge of PCB Design, Electronics DFM, DC Power Supplies, PCB Layout, SPI, I2C, UART, USB, and CAN bus
Circuit debugging skills with Logic Analyzers, Spectrum Analyzers, and Oscilloscopes
Programming skills in C, Python (beginner), Java, MATLAB, ABEL-HDL, and AVR-Assembly
Experience in SMT soldering, PCB Routing, CNC, manual machining, and rapid prototyping
Proficient CAD experience in OrCAD, Altium Designer, EagleCAD, KiCAD, and SolidWorks

HONORS AND AWARDS

Won “Most Technically Impressive” and “Most Likely to Succeed Startup” at MHacks Hackathon
Selected to interview for the YCombinator S14 batch in Palo Alto, CA
Won 1st in “Best Project Concept” in The HackADay Prize competition

EXTRACURRICULAR ACTIVITIES

Purdue Electric Racing Project Manager and Co-Founder
Purdue Formula SAE Electronics Team Member

PERSONAL INFORMATION

I enjoy playing the viola, video games, swimming, reverse engineering firmware, and Vim.
